

CHOOSE THE BEST

No matter who uses it.

Transform your world: Greener spaces, brighter days.

From vision to reality – cover any surface, enjoy every moment.

QUICK TO INSTALL / PRACTICAL

Optional installation by professional trained installers.

ALWAYS GREEN / DURABLE / RESILIENT / ECO

Made to last – lush green for years to come.

100% recyclable, UV-resistant, and designed for everyday use.

ZERO MAINTENANCE / COST-EFFICIENT

Forget mowing, watering, or weeding. Simply brush occasionally and remove surface dirt and leaves.

CHILD SAFE & PET FRIENDLY

Ideal for **environments used by children and pets** such as homes, playgrounds, parks, schools, hotels, and sports facilities.

Certified to **EN71-3** by TÜV Holland for **non-toxic materials**.

PAH-free certification guarantees the product is environmentally friendly, free of Polycyclic Aromatic Hydrocarbons, and **prevents the risk** of skin irritation and respiratory problems that may occur with long-term use.
